

CERTIFICATE

No. TSU 005-13/D

Collector Type: **Evacuated tubular collector**
Model: **TS 10**
Company: **THERMO/SOLAR Žiar s.r.o., Na vartičke 14, 965 01 Žiar nad Hronom, Slovak Republic**
Production site: **Kubranská 67/102, 911 01 Trenčín**

This certificate confirms that the product complies with the requirements of

EN 12975-1:2006+A1:2010

Specific CEN Keymark Scheme Rules for Thermal Products, version 30.00

and the company is granted the licence for the right to use the mark

in conjunction with the No. of this certificate.

Date of first issue: **28.03.2013**
Date of last renewal: **01.03.2018**
Validity until: **23.01.2020**

Ing. Dušan Hanko
Head of Product Certification Body

Certificate No. TSU 005-13/D

Technical data

The summary of the test results is listed in the data sheet – see Annex to this certificate.

Test methods : according to EN 12975-2:2006

Test results : Test Report No. 130700004/QP(D1) dated 26.03.2013

Note:

- The freeze resistance test according to EN 12975-2, clause 5.8 was not necessary. According to the manufacturer's safety instructions, in regions exposed to frosts a premixed antifreeze have to be used.
- The negative pressure test according to EN 12975-2, clause 5.9.2 was not carried out – not relevant for tubular collectors.
- The optional impact resistance test according to EN 12975-2, clause 5.10 was not carried out.
